The newly launched **FLOOR DÉCOR MODULAR** by **CERAMIC FASHION STUDIO** expresses the idea of celebrating the individual and focuses on their identity. This collection represents a completely new way of conceiving the traditional “carpet” designs and brings an intriguing twist to how designs can beautify a space. Curated with varied textures, finishes and styles, **MODULAR** gives you a sense of sophistication and elegance. The collection can be conceived in no strict logic and can allow you to play with the designs and colours to offer a wide scope possible application. **MODULAR** presents 3 sizes in a concept of décor, border and corner of 300x300mm, 300x150mm and 150x150mm respectively, offering a total of 25 such exquisite concepts.
