A glimpse of us

What is known today as Icon Group, is a family that stood strong through the business chaos and emerged with flying colours. The company today is an unwavering foundation of a clear goal to deliver the finest quality products in the ceramic industry.

the iconic JOURNEY Since 1987

Each person working has dedicated themselves to pairing their expertise with state-of-the-art technology to produce tiles that go above and beyond the standards of the industry. We thrive to achieve the best possible and not what's just acceptable.

With 6 manufacturing facilities studded with top Italian technology, Icon promises statistically proven high-quality products. It's in our DNA to infuse strikingly alluring designs along as well. Each day, we explore the world to bring the most unique products to decorate your space.

Vision

Our vision is to be a brand of choice & style in tile industry.

Mission

Our mission is to keep on innovating and delivering the finest possible products.

Objective

Icon has earned itself a reputation of a global leader in tiles by consistently being the top exporter for last 3 years from India. Now Icon's objective is to become the best tile brand in India's domestic market.
