We've examined the most primitive of marbles over the years and have brought back the very best of material for you. Always a new story, is based upon the philosophy of bringing both, authentic and aesthetic of ceramics and give it an exemplary form of design.

surface **creator**

Created using the most innovative technologies available in the ceramic sector, Our all collections in which aesthetic and material research reaches new heights. Outstanding pigments and natural materials are the hallmark features of products in which the complexity of the colour and the depth of the decorative patterns have been developed and taken care of in every detail.

Made in India isn't just style, design and excellence, it's a way of being. We identify with the values expressed by Itaca's ethical code, which guarantee absolute compliance with labor regulations, and with the marks Made in India and Ceramics of India, which certify the quality of authentic Italian style.
