# GRIP STONE SERIES

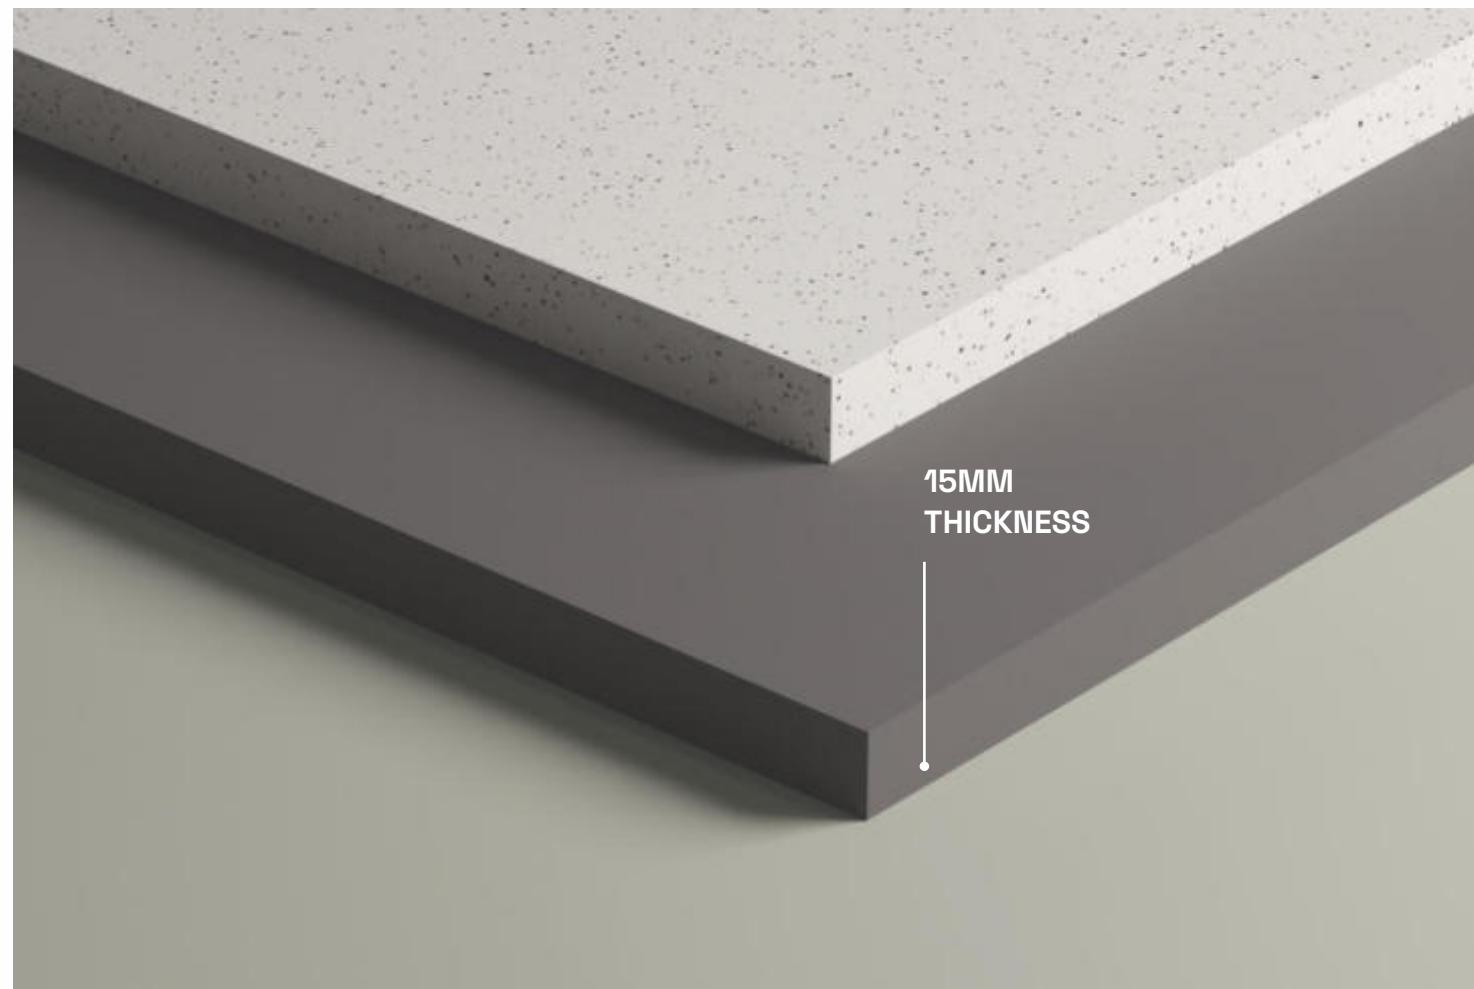

## About Company

**Motto is one of the most dynamic & productive brands of the modern ceramic world that is brought to life by a visionary person Mr. Mahendra Patel. Over the years the company has developed manyfold.**

**Since 2004 - the inception year, to today we have expanded our reach to national & international arenas with a capillary presence in more than 70+ countries with 2500 satisfied customers.**

Finest skills clubbed with state of the art technology have helped us to carve a niche, which is stamped by authorities as we are ISO 9001 : 2018 Certified. Overall the company has marked its position as the leading Manufacturer, Exporter and Supplier of the exquisite Ceramic Porcelain Tiles for Wall & Floor.

## Reimagining stone with a refined edge

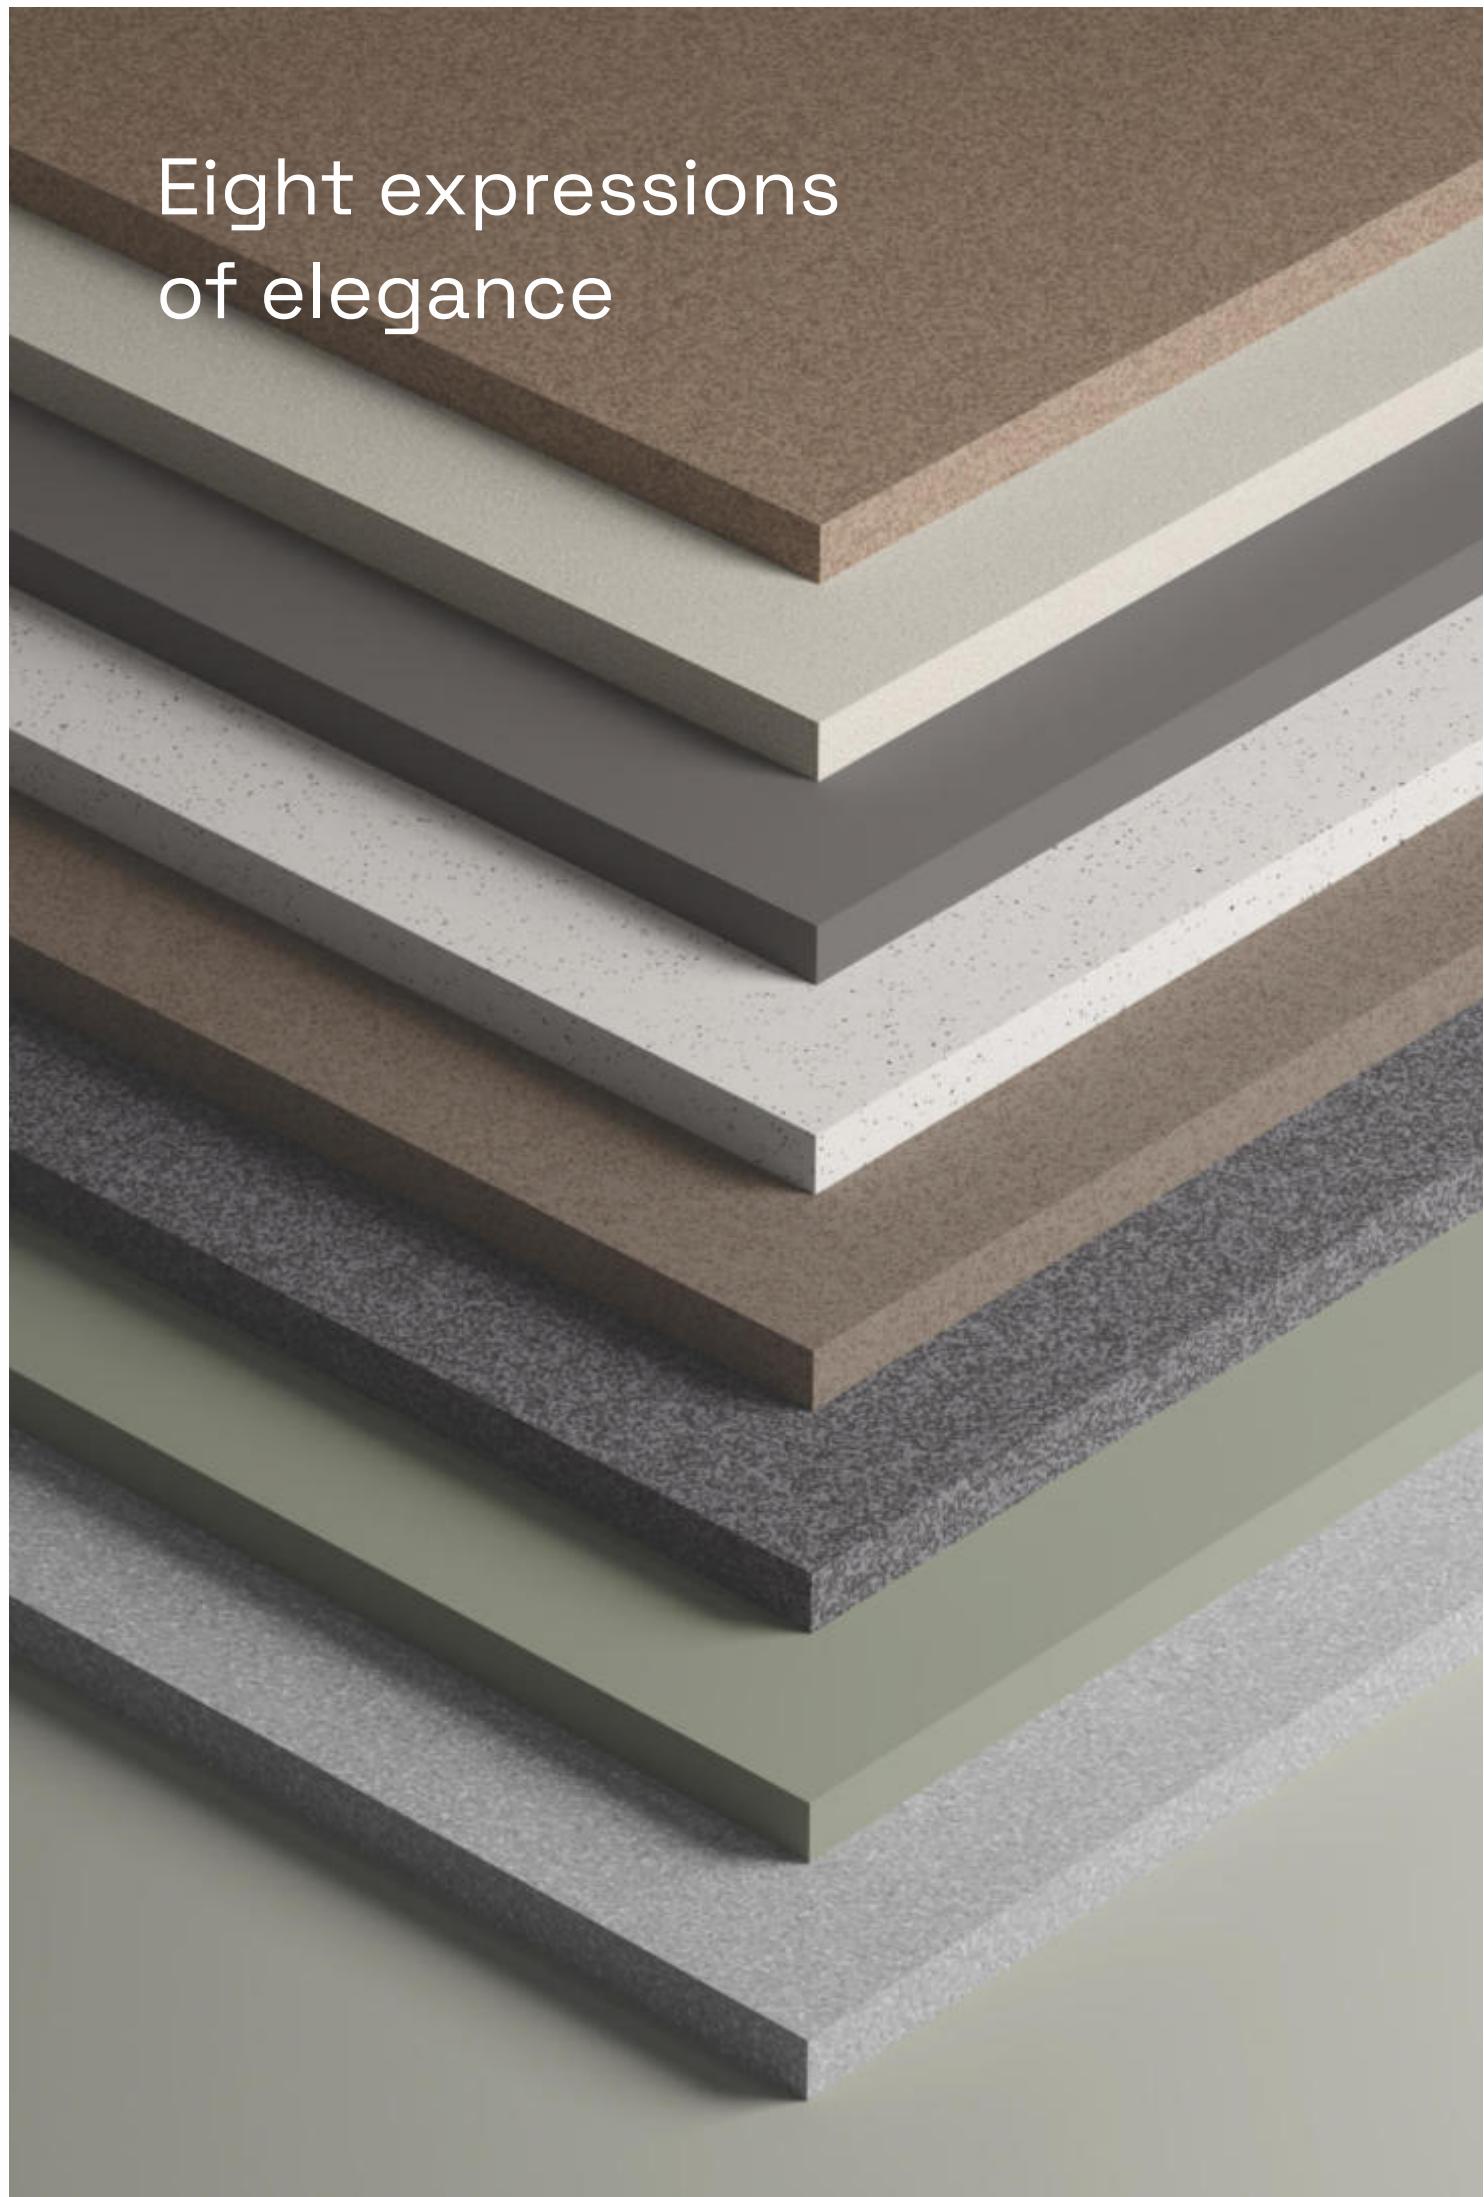

The Gripstone Series tells a story of stone reimagined in distinct aesthetic and durable ways. The series showcases diverse patterns and subtle nuances that capture the essence of natural stone while introducing a contemporary twist. The series features earthy tones with a matt and punchy surface, allowing your space to reflect tactile richness and understated

To give your spaces structural integrity and robust resilience, the series features 600x600mm size and a 15mm thickness with a fullbody composition, ensuring worry-free performance for years. Its seamless design continuity and durable structure make it a preferred choice among architects, homeowners, and designers for spaces that demand lasting beauty with aesthetic presentation. Choose Gripstone to bring your space a distinct edge of luxury and durability.

The strength of stone  
meets the aesthetics  
of ceramics

Eight expressions  
of elegance

## Know your Surface

### Matt Majesty + Punch Perfection

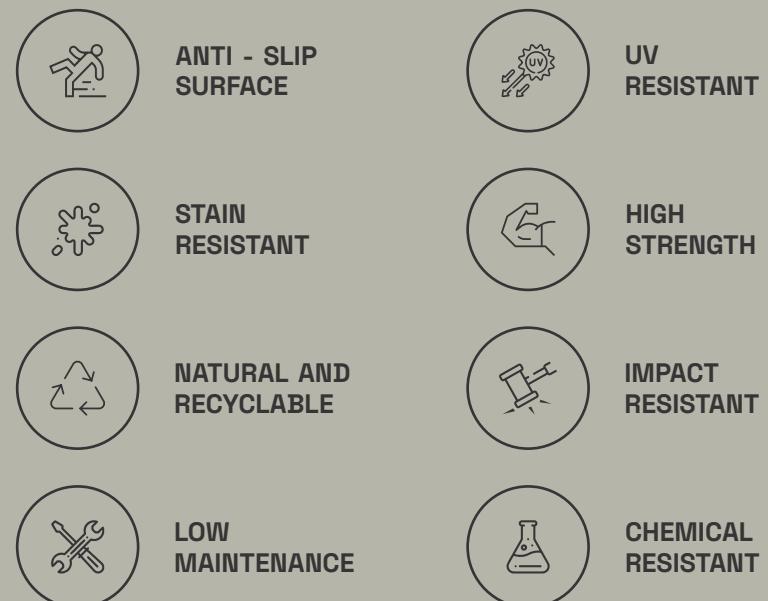

The series presents matt and punch surfaces that deliver striking depth, durability, and density in a variety of patterns to suit your style. Let your interiors reflect nothing less than excellence with the refined surface solutions.

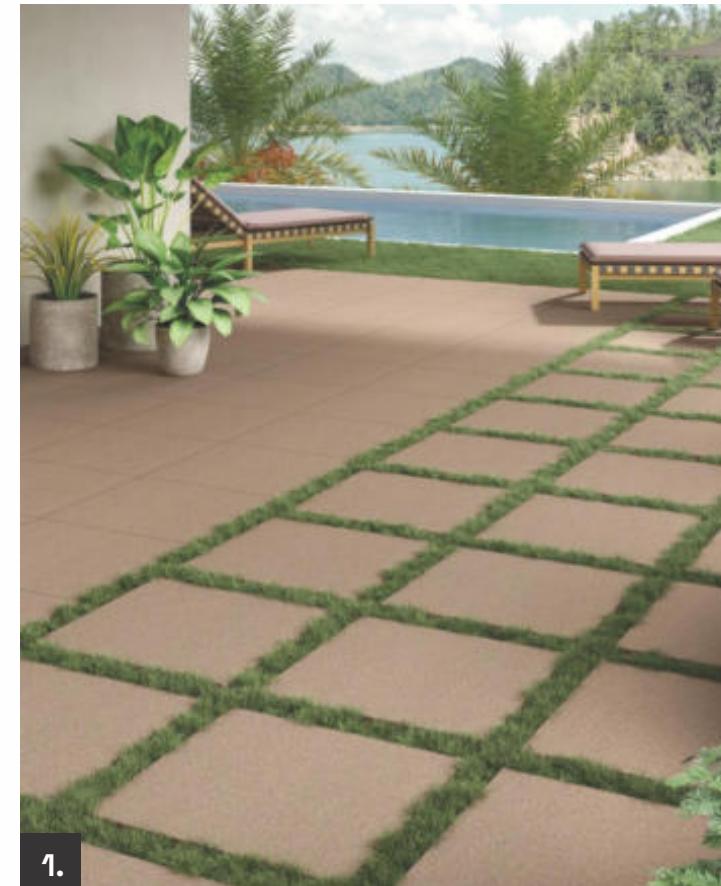

# Built to last for years

The Gripstone series is our promise of lasting performance and unmatched expressions of novelty. Be at ease with these tile installations, as they are engineered to resist any weather conditions. They are chemical, impact, stain, and UV-resistant, so you need not worry about them. They are easy to clean and require minimal upkeep. Their robust composition enables them to perform exceptionally well in high-traffic environments. Overall, these tiles are a great investment for your future projects.

Meanwhile, their multiple application possibilities also add to the positives. They can be applied indoors or outdoors, where both design brilliance and long-term performance are essential. It's time to reimagine your spaces with Gripstone, a series that adds accents of refinement and functional excellence to any space.

## INSTRUCTIONS FOR MANUAL INSTALLATION

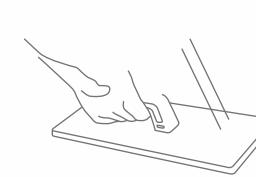

### SINGLE LAYER METHOD

### DOUBLE-LAYER METHOD

### COMPRESSING THE SLAB

## IMPORTANT

All cutout corners must have a minimum radius of 1/4". Avoid 90° angles. We recommend using a radius greater than 1/4" whenever the kitchen design allows, as it enhances the strength and durability of the countertop.

## CLEANING & MAINTENANCE

Our products are non-porous due to high-quality raw materials, stringent production parameters, and state-of-the-art technology. As a result, dust and waste cannot penetrate the surface.

In most cases, a damp cloth is sufficient for cleaning.

Regular cleaning enhances the aesthetic features of the surface and maintains its exceptional shine.

For more aggressive cleaning required by certain common foods and substances, please refer to the table below.

TYPES OF STAINS	CHEMICAL PRODUCTS	EXAMPLE
Grease	Alkaline - Solvent	Detergent
Oil	Solvent	Ammonia, Baking Soda
Ink	Oxidant - Solvent	Alcohol, Liquid Bleach, Nail Paint Remover
Rust	Acid	Hydrochloric Acid, Vinegar, Red Harpic
Lime	Acid	Descaling Agents, Hydrochloric Acid
Cement	Acid	Hydrochloric Acid
Wine	Alkaline	Ammonia, Liquid Bleach
Coffee	Alkaline - Solvent	Ammonia, Liquid Bleach
Rubber	Solvent	Alcohol, Thinner
Plaster	Acid	Hydrochloric Acid
Candle Wax	Solvent	Alcohol, Thinner
Iodine	Oxidant	Liquid Bleach
Blood	Oxidant	Liquid Bleach
Ice Cream	Alkaline	Liquid Bleach

Note: It is recommended that any stain be cleaned immediately for best results.
