YOUR CLASSY AMBIANCE.

A DELIGHT OF DESIGN

Our latest tile collection is a fusion of artistry and innovation, designed to captivate and elevate every space. With five exciting shades inspired by nature's finest elements, each tile brings a fresh perspective to your interiors. Whether you're drawn to the warmth of earthy tones or the cool elegance of neutral shades, there's a perfect hue for every vision.

Measuring a versatile 600x1200mm, these tiles offer a sleek, modern look while ensuring high slip resistance for added safety. Ideal for both residential and commercial spaces, they provide not just beauty but functionality. Whether you're redesigning your living room or reimagining a bustling office, these tiles are crafted to meet your design needs, offering a stunning blend of style, durability, and practicality.

FOSSIL
series

**600x
1200mm**

The 600x1200mm tiles in our new collection redefine spacious elegance. With their expansive dimensions, these tiles create an illusion of boundless space, drawing the eye to their seamless, uninterrupted design. Whether laid in a living room, kitchen, or office, their size allows for a striking, unified aesthetic that brings fluidity and grandeur to any setting.

Each tile commands attention, offering a canvas that stretches across your floors, transforming every inch into a bold statement. The larger format not only enhances the visual appeal but also provides greater flexibility in design. It is the perfect blend of size and sophistication, offering an effortless and captivating way to transform your space into a masterpiece of modern design.

CLEANING & MAINTENANCE

Our products are non-porous (due to their high quality raw materials, stringent production parameters and state of the art technology), hence any dust or deposited waste cannot penetrate the surface.

For most cases only a damp cloth is sufficient for cleaning.

Regular cleaning highlights the aesthetic features of the surface and gives it exceptional shine.

For highly aggressive cleaning caused by some common food and substances follow the table below.

TYPE OF STAIN	CHEMICAL PRODUCT	EXAMPLE
Grease	Alkaline - Solvent	Detergent
Oil	Solvent	Ammonia, Baking Soda
Ink	Oxidant - Solvent	Alcohol, Liquid Bleach, Nail Paint Remover
Rust	Acid	Hydrochloric Acid, Vinegar, Red Hercul
Lime	Acid	Descaling Agents, Hydrochloric Acid
Cement	Acid	Hydrochloric Acid
Wine	Alkaline	Ammonia, Liquid Bleach
Coffee	Alkaline - Solvent	Ammonia, Liquid Bleach
Rubber	Solvent	Alcohol, Thinner
Plaster	Acid	Hydrochloric Acid
Candle Wax	Solvent	Alcohol, Thinner
Ice/Ink	Oxidant	Liquid Bleach
Blood	Oxidant	Liquid Bleach
Ice Cream	Alkaline	Liquid Bleach

Note: It is recommended that any kind of stain needs to be cleaned immediately, as soon as possible.
