ABOUT COMPANY_

Motto is one of the most dynamic & productive brands of the modern ceramic world that is brought to life by a visionary person Mr. Mahendra Patel. Over the years the company has developed manyfold.

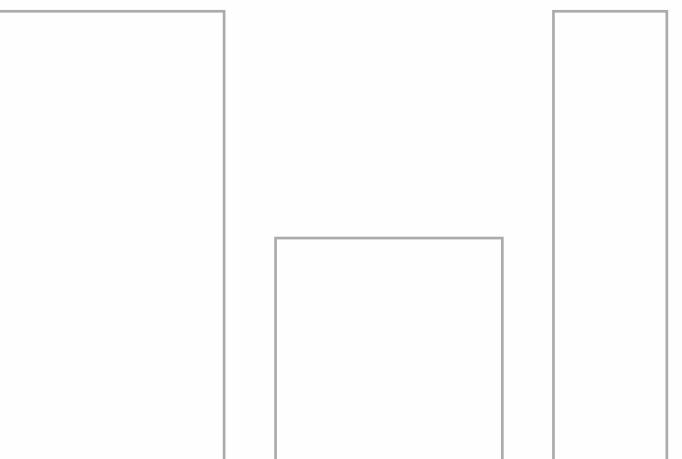

Since 2004 - the inception year, to today we have expanded our reach to national & international arenas with a capillary presence in more than 70+ countries with 2500 satisfied customers.

Finest skills clubbed with state of the art technology have helped us to carve a niche, which is stamped by authorities as we are ISO 9001 : 2018 Certified. Overall the company has marked its position as the leading Manufacturer, Exporter and Supplier of the exquisite Ceramic Porcelain Tiles for Wall & Floor.

SIZES & THICKNESS_

Motto's Fullbody Series is a true depiction of class, luxury, and strength, offering your spaces a comprehensive solution that elevates everyday living. Complementing modern interiors and design ideas, the series is crafted in three sizes — 600x600mm, 300x1200mm and 600x1200mm, offering ease of installation and versatility. These tiles also feature a thickness of 8.5mm, 9mm, and 10mm individually, seamlessly adding strength to your space.

These fullbody tiles are made using a uniform composition of raw materials throughout the thickness of the tile. Their color, pattern, and texture run consistently from top to bottom, ensuring superior durability, strength, and resistance to heavy wear and tear. Their solid construction makes them ideal for high-traffic areas, as well as for spaces requiring long-lasting aesthetics and performance.

TILES**

**A punch of luxury that echoes
through time.
Give your space depth,
you can truly touch and feel, where
every texture is crafted to
elevate refined living_**

The Fullbody Series showcases rich colors and refined patterns that bring depth and dimension to any space. Envision your oasis adorned with masterfully crafted pieces—each one an ode to timeless design and artisanal craftsmanship. A harmonious blend of strength and style, this series offers exceptional functionality and aesthetic appeal across a variety of textures, finishes, and sizes.

The Series complements both modern décor and expansive architectural projects where durability and aesthetics are equally essential. A testament to enduring craftsmanship and contemporary design, these tiles boast a robust composition that makes them a preferred choice among homeowners and architects. Let your space echo stories of resilience and unmatched design elegance with every piece from this distinguished collection.

Experience real punch styles that define texture & luxury in your space_

The Fullbody Series is available in three sizes, three finishes - Glossy, Matt, and Lappato, and four punch styles, offering you the freedom to choose your aesthetic and create a space that truly reflects your taste and personality. These finishes offer aesthetic and functional qualities, whereas the four punch styles, Pyramid, Domenico, Lapato Strip and Rock Grip, each represent a unique facet of design excellence, crafted with utmost attention to detail.

The Pyramid punch brings bold dimensionality, making it perfect for statement walls. Domenico's subtle and elegant texture is ideal for spaces that call for refined sophistication. Meanwhile, the Lapato Strip punch blends soft sheen with structured lines, creating geometric depth and a distinctly modern appeal. The Rock Grip punch is meant to add a natural touch of aesthetics and durability to your space. Unlock a world of design possibilities and craft a look that brings your imagination to life, one that reflects the true character of your space.

INSTRUCTIONS FOR MANUAL INSTALLATION

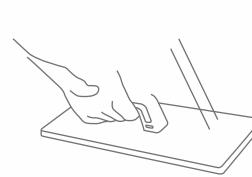

SINGLE LAYER METHOD

DOUBLE-LAYER METHOD

COMPRESSING THE SLAB

IMPORTANT

All cutout corners must have a minimum radius of 1/4". Avoid 90° angles. We recommend using a radius greater than 1/4" whenever the kitchen design allows, as it enhances the strength and durability of the countertop.

CLEANING & MAINTENANCE

Our products are non-porous due to high-quality raw materials, stringent production parameters, and state-of-the-art technology. As a result, dust and waste cannot penetrate the surface.

In most cases, a damp cloth is sufficient for cleaning.

Regular cleaning enhances the aesthetic features of the surface and maintains its exceptional shine.

For more aggressive cleaning required by certain common foods and substances, please refer to the table below.

TYPES OF STAINS	CHEMICAL PRODUCTS	EXAMPLE
Grease	Alkaline - Solvent	Detergent
Oil	Solvent	Ammonia, Baking Soda
Ink	Oxidant - Solvent	Alcohol, Liquid Bleach, Nail Paint Remover
