

HAZZEL WOOD
600x1200mm

A LINEAR WOOD BASED PATTERNS

Texture features a structured grid of raised rectangles with a weathered, metallic finish, combining deep green and rustic tones to create a bold, tactile, and vintage-industrial appeal.

HAZZEL WOOD series

Some people want it all, be it looks, strength, safety and honestly, why not? Our new tile collection is made just for them. It's stylish enough to wow your guests, tough enough to handle life's mess, and safe enough to give you peace of mind every day.

Made using eco-friendly stuff, it can resist fire, take hits, and still look fabulous in your dream home or office. It even helps you keep things clean without much effort. These tiles don't just upgrade your space, they upgrade your life.

WONDERFUL &
GEOMETRIC BASED PATTERN
WITH WOOD FEEL

A WOODEN WITH WARMTH

Inspired by the quiet strength of nature, the Hazzle Wood collection brings warmth, depth, and refined texture to modern spaces. Available in six elegant shades, each tile showcases a matt punch finish that enhances its artistic linear textural pattern, creating a soft play of light and shadow. The design mimics the natural flow of wood grains with a contemporary twist — perfect for walls or floors that seek subtle sophistication.

Whether used in residential interiors or commercial environments, this collection offers a balance of beauty and durability, turning everyday surfaces into timeless statements of style.

STUNNING SURFACE
THAT CAPTIVATE EVERYONE

600x 1200mm

Crafted in a spacious 600x1200mm format, the Hazzel Wood collection brings natural elegance to modern design. Featuring six warm, versatile shades, these tiles come with a matt punch finish and an artistic linear texture that echoes the refined beauty of wood grains. The elongated pattern adds a sense of movement and sophistication, making it ideal for both vertical and horizontal applications.

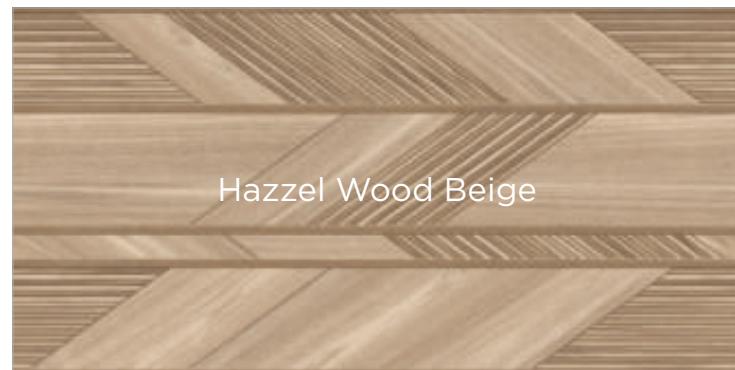

Whether you're designing a serene home environment or a stylish commercial space, Hazzel Wood offers the perfect blend of aesthetics and functionality, in a large format that minimizes joints and maximizes impact.
