Tiles & Bathware —

# *A return to the essence of nature*

Welcome to the world of timelessness with our innovative “Grano” surface, a perfect fusion of past and present.

Through a careful and advanced technique, we have managed to give an aged effect to the surface of our porcelain tile giving it a natural texture that captivates the senses. Each piece becomes a unique masterpiece, with subtle nuances that reflect the beauty of the passage of time and where authenticity and sophistication merge in every detail.

# *Nature as his muse*

The soul of Grano lies in its full-body colored finish, where each of its five tones evokes the richness and depth of the earth, capturing textures and nuances that transform any space into a haven of serenity and style. With Grano, each tile not only covers a space but fills it with life and meaning, reflecting the essence of those who inhabit it.
