**600x
1200mm**

The Vienna Series brings a modern edge with its bold, industrial aesthetic. Crafted in a large 600x1200mm format, it features a striking grid-inspired surface that adds both structure and style. The soft, weathered tones echo the raw feel of aged stone, while the raised rectangular texture introduces depth and dimension.

Perfect for accent walls and creative layouts, this collection blends vintage character with contemporary sensibility. The minimal joint lines enhance continuity, making spaces feel expansive and refined. Vienna is for those who appreciate bold surfaces with timeless appeal.
