Step into the warmth of nature with our Wood Series Tiles, designed to bring timeless elegance to any space. Available in four versatile sizes, these tiles seamlessly adapt to diverse ambiances, making them perfect for both floors and walls. Inspired by the beauty of natural wood, they exude charm while ensuring durability.

For an artistic touch, the Décor Wood Punch acts as a stunning highlighter, enhancing walls with its intricate design. Whether creating a feature wall or blending with floors, this element adds depth and sophistication. With a palette of three rich colors, you can curate spaces that feel cozy yet luxurious.

Crafted with advanced GHR finish, these tiles offer a refined texture that elevates interiors with a sense of richness. The high-tech manufacturing ensures lasting beauty, making them a perfect blend of nature and innovation. Transform your spaces with the warmth, style, and strength of our Wood Series.

SPA
SURFACE

Technical Features

Our slabs are designed with advanced technical features to ensure exceptional durability and aesthetics. With anti-transparent grits and low reflection properties, they offer a sleek and refined appearance.

The abrasion-resistant surface ensures they withstand daily wear and tear, maintaining their beauty over time. Crafted to replicate the elegance of natural stone, these slabs provide a long-lasting surface akin to marble, making them a perfect choice for spaces requiring both style and resilience.

WATCH  INSTALLATION
PROCESS

Please note that there may be variations in the colours due to the random design concept, which is part of the unique beauty of this concept. We advise you to view the actual tiles before making a final decision on colours. It is important to keep a gap of 2 mm between tiles during installation.

As a Precautionary measure, we recommend conducting a dry mock installation of the tiles to ensure seamless final installation.

Keep in mind that size and shape variation are inherent properties of all vitrified tiles and should not be considered as a manufacturing defect.

Claims made post-installation will not be address.

We are honoured to be a part of your home and are committed to providing you with a lifetime of joy and happiness.

CLEANING & MAINTENCE

Our products are non porous (due to their high quality raw materials, stringent production parameters and state of the art technology), hence any dust or deposited waste cannot penetrate the surface.

For most cases only a damp cloth is sufficient for cleaning.

Regular cleaning highlights the aesthetic features of the surface and gives it exceptional shine.

For highly aggressive cleaning caused by some common food and substances follow the table below.

| TYPE OF STAIN | CHEMICAL PRODUCT | EXAMPLE |
|---------------|--------------------|---|
| Grease | Alkaline - Solvent | Detergent |
| Oil | Solvent | Ammonia, Backing Soda |
| Ink | Oxidant - Solvent | Alcohol, Liquid Bleach, NailPaint Remover |
| Rust | Acid | Hydrochloric Acid, Vinegar, Red Harpic |
| Lime | Acid | Descaling Reagent, Hydra Chloric Acid |
| Cement | Acid | Hydro Chloric Acid |
| Wine | Alkaline | Ammonia, Liquid Bleach |
| Coffee | Alkaline - Solvent | Ammonia, Liquid Bleach |
| Rubber | Solvent | Alcohol, Thinner |
| Plaster | Acid | Hydro Chloric Acid |
| Candle Wax | Solvent | Alcohol, Thinner |
| Iodine | Oxidant | Liquid Bleach |
| Blood | Oxidant | Liquid Bleach |
| Ice Cream | Alkaline | Liquid Bleach |

Note: It is recommended that any kind of stain needs to get clean immediately / as soon as possible.
